

Build a Soul-Aligned Business *You Love!*

Trish burned tens of thousands of hours (and dollars) searching for a blend of strategy and soul to could help her create a business she loved! What she found was a deep need simplicity around the business and solutions for the isolation of solopreneurship.

- Lean into simplified strategies that sharpen five foundational centres and create stability
- Learn to use specific insights from your Human Design to sustain functionality & flow
- Lighten the load of solopreneurship with community, collaboration and co-creation as you craft a business you love!

“Crafting a business *you* love is building a business designed for a ‘new age’.” - Trish
